## Welcome to Derbyshire Open Arts (+) 2018

your opportunity to visit artists and artisans throughout our beautiful county, and maybe even buy a work of art to take home!

Bank Holiday weekend 26th, 27th, 28th May. Plus optional extra days 29th, 30th 31st, May, 1st, 2nd, 3rd June. Extra days open stated in the brochure with more information on the website.

Opening hours 10.00am + 5.00pm unless otherwise stated in individual entries

This is our twelfth year and one in which we are building on previous success. Like last year, selected venues will be open around the county for a further 6 days. This is the + part of the event, and gives everyone a little more time to get around to seeing the artists and venues they want to see. Whether you are an artist, a visitor or both, we hope you will take this extended opportunity to track down some of the more 'off the beaten track' venues and artists, who will be delighted to welcome you.

Our 'Open Arts' event covers venues throughout Derbyshire and is free to all visitors. We request that artists ensure all material on show is suitable for family viewing. Many venues will be accessible to wheelchairs, but it is advisable to check each venue's information.

Derbyshire Open Arts is a volunteer led organisation, run for and by artists and supporters of the arts in Derbyshire. It is funded entirely by artists' subscriptions and our brochure advertisers. We distribute brochures throughout Derbyshire and beyond, in libraries, hotels, galleries, cafes etc. Please do support our advertisers, where you have the opportunity, and let them know where you saw their advert, as they are helping us to keep the event going.

If you are on social media, you will find updates on our Facebook, Twitter and Instagram accounts, which will keep you up to date with all our latest news.

Finally; if you are inspired by what you have seen and experienced through Derbyshire Open Arts, why not join our team? You can contact us to offer help with the 2018 event via [info@derbyshireopenarts.co.uk](mailto:info@derbyshireopenarts.co.uk)

Most importantly, enjoy the event!

On the artist's entry there is a description of the work, venue contact details and directions, and extra days opening (provided by the artists). A grey background denotes artists sharing a venue, with the directions to the venue at the top. Detailed location maps can be found by entering the post code at any map website or by looking at the artist's page on our website.

Every effort has been made to ensure the information is accurate, however if you are making a special trip or travelling a long distance, we advise you to check with the artist in advance to confirm availability.
